SouthPac Partners Invests in ThinkPark

October 10, 2026

Vancouver, BC – In October 2025, SouthPac Partners made a new investment in ThinkPark Services Inc. and now owns 51% of the business.

“We are excited to have invested in ThinkPark Services Inc. late last year. We have always liked the commercial parking business for its ability to generate cash flow, which will in turn be used to acquire parking property,” said Chris Charlwood, Managing Partner of SouthPac Partners.

ABOUT THINKPARK

Secure parking for film production and commercial fleets. Fenced, lit and monitored sites across Vancouver and the Lower Mainland — room for cars, trucks, and larger commercial vehicles, on terms that move when the schedule does.

ABOUT SOUTHPAC PARTNERS

SouthPac Partners is a Vancouver-based private investment firm focused on private operating businesses with real estate assets in British Columbia, Alberta, and Washington State.
